

6.5K CHARITY RACE

Speed Week is a premiere week-long event on the U.S. Pro Cycling Circuit that draws cyclists from around the world, including Olympic medalists and world and national champions. In 2024, the professional men's and women's events drew cyclists from over 30 states and more than 20 countries.

The 2025 Curiosity Lab Criterium & 5K will take place on a course located within the world famous Curiosity Lab at Peachtree Corners, a 5G-enabled 500 acre living laboratory ecosystem designed specifically as a proving ground for IoT, mobility, and smart city emerging technologies.

VENUE: Peachtree Corners City Hall
DATE: Sunday, April 27, 2025

This year's event will feature something for the entire family. We will begin with a Charity 5K to benefit the Leukemia and Lymphoma Society. We will have kid's races, food & beverage vendors, a kid zone, DJ spinning tunes, and more.
